

Dear Dr Mazyar Zarepour,

Thank you for giving us the opportunity to submit a revised draft of our manuscript titled "6-Valent arc-transitive Cayley graphs on abelian groups". to "Journal of Mathematical Extension". We appreciate the time and effort that you and the reviewers have dedicated to providing your valuable feedback on our manuscript. We are grateful to the reviewers for their insightful comments on our paper. We have been able to incorporate changes to reflect most of the suggestions provided by the reviewers. Here is a point-by-point response to the reviewers' comments and concerns.

Comment from Reviewer A:

Comment 2: Give an example for Theorems.

Response:

All cases in Theorems are examples of graphs which is determined based on theorem's conditions.

Comment 3: Conclusion should be added.

Response: It added

Comment 5: More related references should be added.

Response: The references 8, 9, 10 added.

In addition to the above comments, all spelling and grammatical errors have been corrected.

We look forward to hearing from you in due time regarding our submission and to respond to any further questions and comments you may have.

Sincerely,

Mehdi Alaeiyan
